

# History of West Coast Blues

## Featuring Bay Area Blues Society All-Stars

The Bay Area Blues Society is bringing their Caravan of All Stars to San Ramon Library in celebration of Black History Month. They will present "The History of West Coast Blues," a lecture and performance about the origins of American and West Coast Blues.

The evening will feature some of the artists who helped create this unique sound. This is a rare opportunity to hear the true sound of West Coast Blues by masters including Willie G, Teddy "Blues Master" Watson, Billy Dunn, Big Bob Deance and other special guests!! After the performance, there will be time to ask questions to these blues musicians.

The Bay Area Blues Society and San Ramon Library are partnering to bring some of the pillars of West Coast Blues to the San Ramon Valley area. This evening will kick off the 2005 edition of the West Coast Blues Hall of Fame and Awards Show.
